EDUCATION:

Bsc Geography at University of Bristol (September 2014 - present)

Received a first across year 1 units.

Dulwich College, Dulwich Common, London, SE21 7LD (2009 – 2014)

Exams Taken:

GCSE: 9A*, 2A
Additional Mathematics - A
AS Latin - A
AS Critical Thinking - A
A Level: History (A), Geography (A), Italian (A), Economics (A)

WORK EXPERIENCE:

- PWC: As a PWC technology intern I gained insight into cybersecurity, including systems architecture, IdAM and Threat & Vulnerability Management (TVM).
- Bristol University Public Relations Office: I perform a range of functions including answering queries from Academic and Professional Services staff across the University, and gather, create, and edit new and existing content for websites and social-media channels.
- PolicyBristol: I work alongside the three other team members of PolicyBristol to promote the policy-relevant social science research of academics to relevant stakeholder groups (e.g. policy makers, think tanks etc.).

SPECIFIC EXPERIENCE:

- Experience with Geospatial and Modelling tools, including SPSS, ArcGIS and R.
- Competent in HTML and CSS. Currently developing Python skills with a view to building a crowdsourcing application.
- Passion for design, especially concerning, colour, and typography.
- Strong conceptual, strategic and analytical skills.

OTHER RELEVANT EXPERIENCE:

IT

- Proficient in HTML and CSS.
- Experience in Running Social Media Business Pages - Youtube, Facebook and Twitter.
- Experience with Wordpress CMS.
- Experience in SEO.
- Photoshop and graphic design skills.

Languages

- Studied Italian at A Level and French to GCSE.

Business awareness

- Through combining my interest in electronic music production, I sell templates and tutorials on my website: (<http://www.dancemusicdesign.net>)
- Experience researching competitors, developing products and marketing a business.

Communication

- I have strong writing and analytical skills (awarded firsts across all Year 1 university essays).
- I have written music ebooks and I have experience of directly emailing customers and media outlets.

Teamwork

- Teamwork skills were essential when working as part of a conservation organisation; Operation Wallacea in Madagascar in June 2014.
- Teamwork skills were also developed through my participation in various societies, previously at school and now at university.

Organisation

- I am currently doing two internships at the University of Bristol, alongside my degree, and I was awarded a top first across Year 1. Managing co-curricular activities, my business interests and my studies has further developed organisational and time management skills.
- I am also a member of 'inc.' - University of Bristol Enterprise Society.
- I am on the organising committee for the University of Bristol's first Tedx conference.
